ADAMS CAMERON & CO. — TOOLS FOR REAL ESTATE PROFESSIONALS

# Work smarter. *Close faster.*

A suite of AI-powered tools built for Adams Cameron & Co. agents — from contract timelines and listing enhancements to daily activity reporting, all in one place.

⚠ BETA — ALL TOOLS ARE ACTIVELY BEING DEVELOPED

> These applications are developed in-house and considered beta releases. While tested, you may experience errors. If you do, please let us know via Feedback & Support and include: your device type (computer, Android, or iPhone), which tool you were using, and what went wrong. Your feedback helps improve these tools for everyone.

GROW YOUR BOOK

## Find New Prospects

BETA

## Floor Time

Manage floor duty scheduling — configure shifts, set agent eligibility, collect availability, and publish monthly schedules to Google Calendar.

Open Tool →

## Upcoming Listings & Buyer Needs

Submit upcoming listings or buyer needs here to be displayed on the hotsheet for all of the agents.

Submit Notice →

BETA

## Agent Bio Creator & Updater

Answer a short questionnaire and let AI generate a polished, professional biography for your website and DeltaNet profile. Save it directly to DeltaNet or download as a Google Doc.

Open Tool →

BETA

## Agent Photo Updater

Upload a new profile photo and push it directly to your DeltaNet account. Optionally enhance your photo with AI — choose a polished professional look, a beach scene, or even a caricature.

Open Tool →

BETA

## Online Presence Audit

Score an agent's online presence across social media, reviews, platform profiles, local SEO, AI search visibility, brand consistency, and compliance — powered by Claude with live web search.

BETA

## DeltaNet Profile Audit

Score how completely an agent's DeltaNet profile is filled out — photo, bio, designations, reviews, lead settings, and more — against company benchmarks.

Open Tool →

Open Tool →

SELL THE PROPERTY

# Listing Marketing

BETA

## Comprehensive Market Update

Upload an active and sold listing export from your MLS (Excel, CSV, and more) to generate a full market analysis — days on market, absorption rate, price per square foot, and beyond.

Open Tool →

BETA

## MLS Magic

Cross-reference listings between Daytona MLS and Stellar MLS effortlessly. It reads listings from one system and auto-fills the data entry sheet for the other — eventually entering them for you.

Open Tool →

BETA

## Cameron's Lens

Take your existing listing information and let AI enhance the property description and suggest photo improvements — making every listing stand out without starting from scratch.

Open Tool →

BETA

## Cameron's Stage

Create a virtual tour for the property, including an AI-generated song — a tour link you can drop into your MLS listing or share on social media.

Open Tool →

BETA

## Lockbox Manager

Check lockboxes in and out across all offices. Track inventory by serial number, agent, and property. Look up listings by MLS ID to auto-fill checkout details.

Open Tool →

BETA

## ACC Binder

Upload a contract or listing packet and let AI split it into individual forms, then upload them straight to Form Simplicity.

Open Tool →

BETA

## Contract Date Calculator

Enter key dates from a Florida FAR/BAR residential contract to instantly calculate all due dates — inspection periods, financing contingencies, deposits, title, and more.

*Always double-check calculated dates against your contract.*

Open Tool →

BETA

## Adams Cameron Hotsheet

Daily activity report showing new listings, contracts, closings, price changes, open houses, and buyer needs across Adams Cameron offices — updated every morning.

Open Tool →

SERVE YOUR BUYER

# Buyer Assistance

BETA

## ACC Binder

Upload a contract or listing packet and let AI split it into individual forms, then upload them straight to Form Simplicity.

Open Tool →

BETA

## Contract Date Calculator

Enter key dates from a Florida FAR/BAR residential contract to instantly calculate all due dates — inspection periods, financing contingencies, deposits, title, and more.

*Always double-check calculated dates against your contract.*

Open Tool →

BETA

## Adams Cameron Hotsheet

Daily activity report showing new listings, contracts, closings, price changes, open houses, and buyer needs across Adams Cameron offices — updated every morning.

Open Tool →

STAY CONNECTED

# Maintain Relationships

BETA

## Review Engine

## Adams Cameron Foundation

View office participation stats, learn about our partner charities, and manage your own

Track the post-closing review request funnel — sent, clicked, and confirmed — with A/B test results by template variant and monthly targets.

Open Dashboard →

donation pledge — enroll, update your amount, or opt out at any time.

Open Foundation →

GROW & GET SUPPORT

# Learn and Find Help

BETA

## AC Pathfinder

Your coaching hub. Build your 12-month business plan, track your weekly progress, complete your check-ins, and stay connected with your coach — all in one place.

Open Pathfinder →

BETA

## Agent Recognition Quiz

Test your ability to recognize Adams Cameron agents by face. A photo is shown and you pick the right name from four choices — great for new agents learning the team.

Open Quiz →

## Feedback & Support

Submit bug reports, feature requests, and suggestions for the Workshop tools. Vote on existing items and track their status.

Open Tool →

## Staff Reference Guide

How-to guide for internal staff covering the Daily Desk, Market Notices, Floor Time, and Lockbox Manager — with step-by-step instructions for each tool.

Open Guide →

BEHIND THE SCENES

# Office & Operations

BETA

## Lockbox Manager

BETA

## Agent Roster

Check lockboxes in and out across all offices. Track inventory by serial number, agent, and property. Look up listings by MLS ID to auto-fill checkout details.

Open Tool →

Look up agents, office management teams, and featured Title/Mortgage/Association/Property Management partners — installable to your home screen like an app.

Open Tool →

BETA

## Agent Records

View and edit agent contact info, external IDs (DeltaNet, Profit Power, NRDS), and notification settings — with reconciliation against DeltaNet and Google Workspace.

Open Tool →

BETA

## Daily Desk

Office-scoped view of active listings, contracts, and today's action items — pulls live data from DeltaNet, Form Simplicity, and the transaction database.

Open Tool →

BETA

## Scorecard Data Entry

Enter monthly manual metrics for the company scorecard — advertising spend, Facebook reviews, social advocacy data, and eBusiness statistics.

Open Tool →

## Tool Usage

See how often each Workshop tool is being used and by whom — visit counts by tool and user, with a recent activity feed.

Open Tool →

COMING SOON

## Production Leaderboard

Sales Leader, Listing Leader, and President's Club GCI rankings — company-wide or by office, with your own production against the field.
